Your Honor,

As a plaintiff proceeding *pro se* and *in forma pauperis*, I sincerely request that I am appointed an attorney to level the playing field in my quest for personal justice. I believe that you may appoint me an attorney pursuant to 28 U.S.C. § 1915(e). As a person with a disability, has been very daunting to pursue legal action against the defendant's "hot shot" lawyers who have behaved in an intimidating fashion. I had previously filed a similar lawsuit in state court, but it was removed to federal jurisdiction, in which I find it much more complex and intricate procedural-wise. It has been extremely difficult for me to find an attorney who would be patient enough to tackle the issues in my rather complicated complaint, particularly without the financial resources to get counsel. The defendant's actions have been very oppressive and my inability to seek counsel makes it seem like a "long shot" to pursue my case. Finally, it is important to note that my complaint has serious merit to it and by no means am I attempting to file a frivolous or malicious lawsuit.

Respectfully,
